

Menu Selections

With changing covid regulations, please note that our menus may change for the event. We're currently planning on plated dinners for both evenings, but may switch Friday night to a buffet dinner if we can do so safely (the buffet menu for Friday looks phenomenal!) Rather than send out our usual dining survey after registration, we thought we'd include the selections on the entry form. Please be sure to make selections for both you and your co-driver.

MotorsportsReg

Moving forward Classic Car Adventures will be moving to MotorsportsReg.com for event registration. The move will save the CCA office hours of data entry, and allow us to share our unique events to a wider audience. As an entrant, you won't have to hand-write your form multiple times per year, and you can finally retire your chequebook if you wish! We anticipate Spring Thaw, however, will remain a first to the mailbox event...

Part of the transition to MotorsportsReg requires moving the name, email address, home town and postal code of our entrant database over to their system. This will allow us to email you as entrant and past entrants, and also facilitate giving you early access to event registrations before they are opened to the general public. The MotorsportsReg system emails you once a month to show you a list of events happening with a 100mi radius of your location.

Hagerty

Hagerty puts out a weekly newsletter aimed at enthusiasts in the classic car world. The newsletter features market information and changes, links to videos of interest, stories, articles and events in your area. As part of our event sponsorship agreement, your name, email address, and postal code are shared with Hagerty for this database.

Please click the boxes below if you wish to *opt-out* of either of these database items.
